

# Grant Workshops

Midwest CCR&R, in cooperation with Minnesota Department of Human Services (DHS) will be offering grants beginning **September 1, 2009**.

We are offering these free grant workshops for you to learn how to fill out a grant application and what the process and requirements are for our grants. The workshop you attend does **not** have to be in the same county you live in. Call the CCR&R registration line to pre-register @ 1-877-311-2244.

Workshops are open to both family child care providers and center staff. This is an informational workshop only to assist with the grant writing process, no training hours or certificates are given.

How to get an application on September 1: Contact Tina at [tinap5@willmarnet.com](mailto:tinap5@willmarnet.com) or (800)292-5437 to have an application mailed or emailed to you, or visit [www.midwestchildcare.com](http://www.midwestchildcare.com) to download an application.

If you are awarded a grant you will be required to take 12 or 16 hours of training, depending on the amount of your award. You can take up to 6 hours of required training between August 1-November 1. The remaining 6 to 12 hours are completed between November 1 and April 30.
